

## Georgia Council for the Arts\*

### § 50-12-20. Legislative findings and declaration of public policy

The General Assembly finds that the general welfare of the people of this state will be promoted by giving recognition to the arts as a vital part of our culture and heritage and economic development. The arts industry fuels cultural heritage tourism, the fastest growing segment of tourism; is a catalyst for community revitalization, boosting local economies; fuels arts education in our schools, which prepares students to be entrepreneurial, critical thinkers; and spurs innovation, helping industries to become more competitive in a global marketplace. The General Assembly, therefore, declares it to be the public policy of this state to encourage the development of the arts.
